trending: CONTEMPORARY

Think white with feature colours here and there. Blend with some natural elements to ground the whites.

We Recommend:
Grange
in *Inkwell*

This sweet design is sure to pack some personality in to your splashback with its pattern mix.

Cabinetry

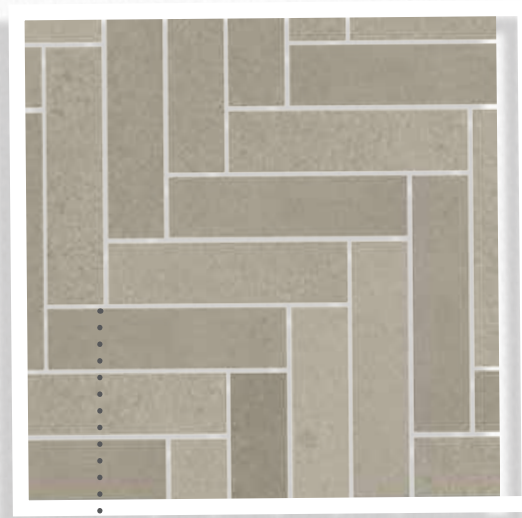

High gloss white cabinetry is a must-have in the contemporary home. One of the benefits is that it's SO easy to clean.

Benchtops

Stone-look (or engineered stone) benchtops are heavily featured in the modern kitchen. A great option if you want to get the look without the price tag.

Flooring

Why not try our 'Soho' marble herringbone tile to add a little drama to your floor.

Trending: INDUSTRIAL CHIC

The softer and more liveable version of 'industrial.' This trends brings in materials such as timber to warm up or balance cold elements.

We
Recommend:

Empire
in *Pepper*

Why not incorporate the industrial look into your splashback with a matte black splashback. Tip: Colour match your grout to give you a seamless finish.

Bricks

We all know the words 'industrial' and 'bricks' go together like wine and cheese. Tip: You can get the look without the price tag by finding a good brick wallpaper, we're loving the example shown here.

Pendants

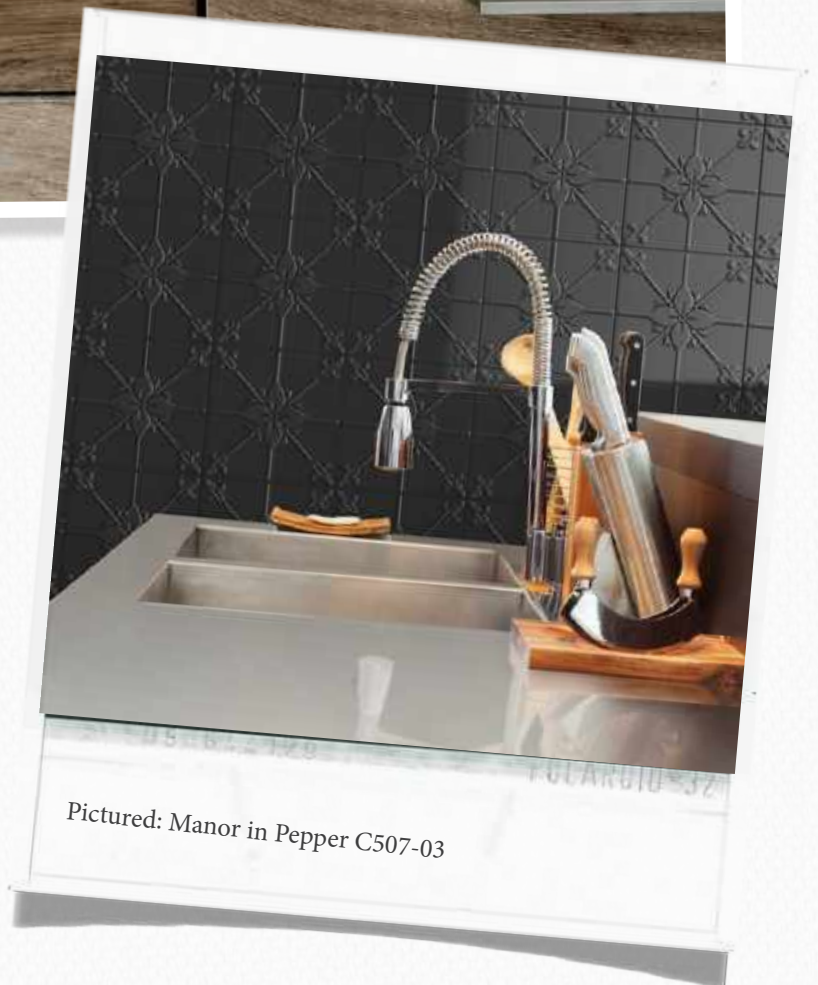

Complete the industrial chic look by sprinkling some pendant lights or even just edison bulbs around.

• Concrete Look

Want the concrete look without all the pouring, labour and polishing? Try our Milan tile in mist or ash.

trending:

MODERN VINTAGE

This style is usually created by a balance of old, new, found and op-shopped. It's often a case of giving old items new life alongside fresh finishes and colours.

We
Recommend:
Manor
in *Chalk*

Bring that vintage element in to your space with this classic pressed metal design.

Benchtops

Marble or marble look benchtops add an instant touch of class.

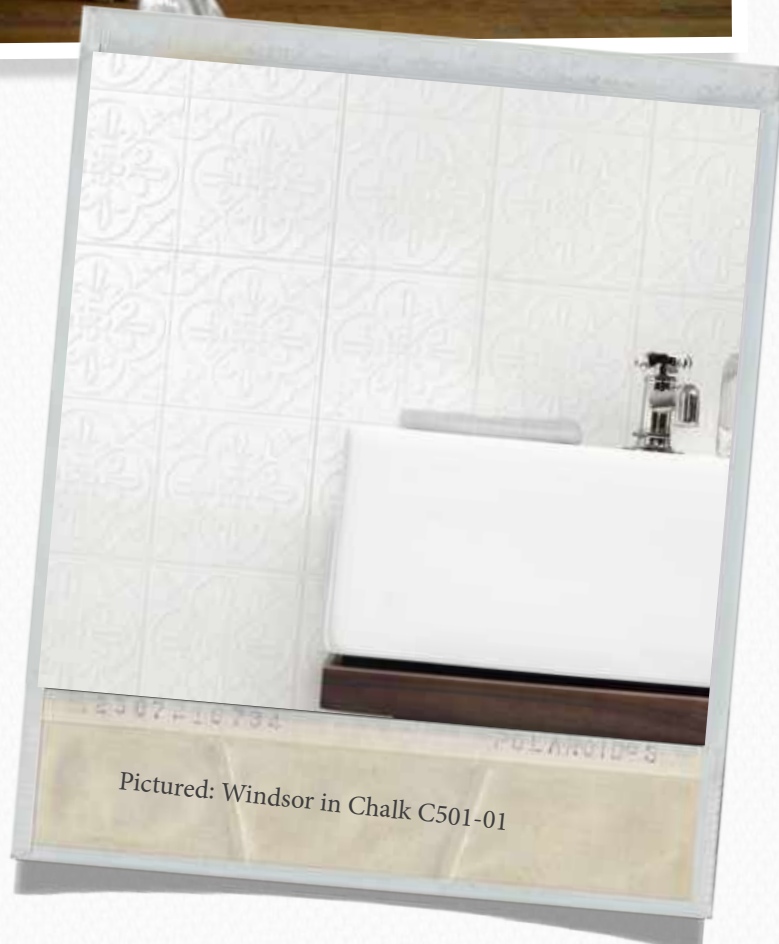

Timber

Timber features whether in flooring or benchtops are a no-brainer for a modern space. It makes any space feel like home.

Flooring

Encaustic look tiles give an old-world vintage feel to any space with no fuss! Try our 'Marrakesh' tiles from our Artisan Range.

trending: HAMPTONS STYLE

Classic, yet relaxed. Soft neutrals paired together usually grounded by grey or white. A classic, coastal influenced style.

We
Recommend:
Windsor
in Stone

Delicate and timeless, the feminine look of Windsor will slot right in to a Hamptons style home.

Timber

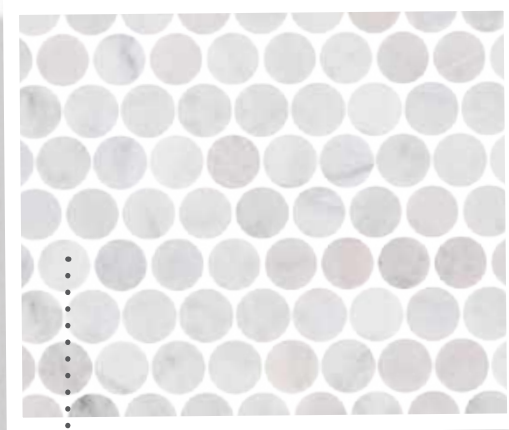

Thick timber, whether used in benchtops or shelving, is a warm feature in any style home.

Cabinetry

It's hard to imagine a classic kitchen without shaker style cabinetry. Modernise with stainless steel handles or warm it up with some brass.
